

Leadership: When Uncertainty is Certain

business Yours truly

As far as the laws of ~~mathematics~~ refer to reality, they are not certain; and as far as they are certain, they do not refer to reality.

Uncertain Uncertainty

Dynamic Centre of Gravity

Dilemma

- Analog or Digital
- Experience or Experiment
- Why or Why Not
- Comfort or Courage
- Conform or Challenge
- Perfection or Excellence
- Insure or Ensure

Amalgamation

- Art with Science
- Idea with Data
- Instinct with Analysis
- Risks with Rewards
- Speed with Accuracy
- Sprint with Marathon
- Challenge with Opportunity

It's no longer either / or OR with / without

Have Vision & Develop Mission

- Work to do good
- Continue to learn & grow
- Encourage freedom
- Remain interestingly relevant
- Take initiative
- Stretch beyond comfort.
- Inspire and remain inspired

Actions & Behaviors

- Exhibit Doctor's Traits: Soothing, Comforting but not living in Denial
- Spread Positivity
- Stay Calm & in Control
- Accept Hard Truths, Analyze Tough Solutions and Adopt for Worst Case Scenario
- Be Decisive

There is NOTHING off the record

Going Forward

Opportunity shall knock on those who persist & persevere.

You must dare, and dare again, and then dare a little bit more, and go on daring.
